## Vicar's Letter

from **Revd Alison Shaw**

Dear Friends,

I have just returned from an exhausting, challenging and awesome visit to the Holy Land. It was my sixth trip since 2005 and every time I learn more of that amazing but troubled land.

I was a delegate to an international conference and we stayed in Bethlehem and Nazareth, visiting sacred sites and more unusual spots too. It was a real privilege to see, for the first time, the mosque at Al-Aqsa, seldom open to non-Muslims these days, and likewise the Dome of the Rock from where it is said the Prophet Mohammed ascended to Heaven, talked with the Prophet Jesus and returned to Earth to continue his work. We visited The Church of the Holy Sepulchre in Jerusalem, the Church of the Nativity in Bethlehem and a beautiful modern church by the Sea of Galilee where the altar is designed as a stunning wooden boat. And all these visual and spiritual 'treats' between a feast of lectures and discussions with Christian, Jewish and Islamic scholars. And speaking of feasts - cheeses and olives, pitta bread, hummus, pickles and salads, St Peter fish, sweet cakes, and 'Star of Bethlehem' wine from the Cremisan vineyards near Bethlehem. We walked too through the deserted parts of Hebron (the place where in the Tombs of the Patriarchs, Abraham and his wife Sarah are buried), and stood on the Golan Heights and looked across into Syria. So many places we hear about on our news channels, we saw and experienced a little.

In September 2018 I shall be leading a pilgrimage to the Land we call Holy. Maybe these few words have caught your imagination and it's somewhere you'd like to visit? People there would invite you to 'come and see'. Do please contact me if you'd like to know more.

As we continue through Lent and into Easter, it is my prayer that we all take time to reflect, not only on what happened to a unique and special man called Jesus 2,000 years ago and what Christians believe, but on the lives lived in Palestine and Israel today. There is so much to question, so much to learn and we wonder what our response to world events should be. For me, the best words come from the prophet Micah who posed the question: "What does God require of me?" And the answer: "To act justly, to love with compassion, and to walk humbly with our God". As we continue our journey through the year, let's do our best to promote justice, to love unconditionally and to work for equality, both here in the peaceful South Hams and across the world.

Easter blessings of new life and new hope to you all.

## Blackawton Playing Fields Committee

from **Simon Rake**

### Your playing fields need you!

Blackawton Playing Fields Committee, which manages the playpark, football pitch, tennis court, community meadow and community orchard is in **desperate need of new volunteers**. They are needed to help with the **upkeep** of these facilities (particularly **grass mowing** over the summer months) and to serve on the **committee**.

Neither the maintenance nor the committee require very much work!

A rota system for grass mowing means that you only have to be able to offer a **couple of hours** two or three times over the summer, whilst in general there are just **two or three** committee meetings per year. It's a great way to meet new people, get involved in village life, and help preserve these **valuable village resources**, that are used by so many.

If you would like to help, please come along to the AGM (details below) or contact **Samantha Lewis-Davis**, our Chairman, on **712520** or at **slewisdavis@yahoo.co.uk**.

### Blackawton Playing Fields Committee

### Notice of Annual Meeting – 2017

The Annual Meeting of Blackawton Playing Fields Committee will be held at the George Inn, Main Street, Blackawton on Thursday 27 April 2017 at 7.30 pm.

Items to be discussed include fund-raising, maintenance and the use of the community meadow as a night landing site for Devon Air Ambulance.

**All welcome**

## Walkers

from **Lesley Mallyon**

On behalf of all fellow walkers, both with and without dogs, I would like to thank Gillie Weldon for her contribution to last months Beacon. Spring is upon us and hopefully we will all be able to get out more and enjoy this beautiful area in which we are lucky enough to live.

**Please let us all do our bit to maintain the lanes, footpaths and community spaces and keep Blackawton the lovely village it is.**

## Blackawton WI

from **Pam Newton**

The March meeting began with the business, and the important vote to change the winter meetings to the afternoons in November - February. This was passed with a large majority on a show of hands. Other matters included our Christmas Dinner venue, buying a radio mike for our speakers, Wormcharming, clubs outings and a felting workshop.

This month's speaker was Nikhila Ludlow on the Feldenkraus Method, which is a technique to ease the stresses of modern life and re-educates the body through movement and awareness. Participation by the audience gave us an insight as to how this was achieved.

Competition: 1. Sarah Green      2. Doreen Tucker      3. Frances Wood  
Flower:      1. Doreen Tucker      2. Carole Wotton      3. Frances Wood.

Our next meeting will be on 19th April, speaker Dr. Peter Moore, ex-police surgeon. The competition will be 'A Surgical Instrument'.

The community website ([www.blackawtoncommunity.com](http://www.blackawtoncommunity.com)) now has a page where you can log a future event that you're organising. ## Booking the Village Hall

The easiest way to check availability and make a **provisional** booking of the Village Hall is to use the internet. There are two easy ways to check availability or make a provisional booking:

1. Enter <http://www.hallmaster.co.uk/ViewRoomDiary.aspx?roomId=81> in the address bar of your Internet browser and press 'Enter'.
2. Via Facebook ([www.facebook.com](http://www.facebook.com)); search for "Blackawton Village Hall" then click on 'Book Now'.

Either method should take you directly to the booking website. Use the 'Next >>' and '<<Previous' buttons to get to the month required then if the hall is not already booked click the '+' sign on the day you want then add the details for your event to create a provisional booking. You will receive an email within a couple of days with an invoice and a booking form, provisional bookings only become confirmed bookings after the deposit is paid which should be within 2 weeks of the invoice date. The above are the preferred methods for booking the hall but if you don't have internet access please phone 712159.

## Village Hall Furniture

If there are no bookings that need the VH furniture it can sometimes be borrowed in return for an agreed donation and deposit but **only by prior arrangement**. A member of the committee should be present both when the furniture is taken and returned. Donation and deposit must be paid before any furniture is removed from the hall. A list of who is on the VH committee, along with contact details, is posted on the notice board next to the main entrance door.

# Community Shop

### Notes of the Parish Council Meeting on Tuesday 7th March 2017

(For details, please see the minutes or contact your Parish Council)

Cllrs Rake (Chairman), Joyce (Vice-Chairman), Mallyon, Perry, and Wills were present as were Cllr Hicks (South Hams District Council), Cllr Hawkins (Devon County Council), A Thom (Clerk) and two members of the public.

#### Open Forum

- Dangerous road at Halwell.** A member of the public discussed their concerns about the poor condition of the section of road between Halwell and Totnes Cross and requested a 'dangerous road' sign to warn drivers. County Cllr Hawkins advised the repair works will be done later in the year. It was agreed that the Clerk would write to DCC.
- Adoption of the BT kiosk.** The Clerk advised the adoption is complete and BPC is now the legal owner of the kiosk.

## Report from District Councillor

Cllr Hawkins reported that DCC set its budget in February. He said children, social services and mental health have been prioritised. There will be a meeting with Dr Sarah Wollaston MP and NHS representatives in Townstal Community Hall in April about the closure of Dartmouth Hospital. The new highways contract commences on 1 April 2017 and achieves a £1.9 million saving which will be reinvested in rural roads.

## Report from County Councillor

**Consultation:** Joint Local Plan, 15 March to 26 April 2017. See [www.southhams.gov.uk/article/583/The-Joint-Local-Plan](http://www.southhams.gov.uk/article/583/The-Joint-Local-Plan).

After tea and a chat and the passing on of basic skills, you will be gently guided through the magic that will allow you to sit round on your own stool with that feeling that only comes with 'I made that'.

The process will take you through sawing logs with a traditional two handed saw, make use of the cleaving break for splitting, introduce the satisfaction of using a side axe and drawknife, and finally the fulfilment of putting your stool together and enjoying a well earned fireside cup of tea. Time for that smug face to make an appearance!

Price includes tuition, wood, use of tools, and drinks and snacks to keep you going through the day.
