Reader's Ramblings

from **Frank Robinson**

I can't remember ever making a New Year resolution in my life! Perhaps that's why I get more practiced at being a grumpy old man each year. But particularly at the start of the year I find myself remembering that beautiful poem by the American Robert Frost, *The Road Not Taken*. It starts:

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other

We don't have to make resolutions: we are all of us making decisions every day of our lives, some apparently trivial (which check-out at the supermarket – always the wrong one!) and some not so trivial (should I take that job; move house; do I really want to marry that man?). But in hindsight even some of the apparently trivial decisions have turned out to be life-changing. Robert Frost's poem ends:

Two roads diverged in a wood, and I -
I took the one less travelled by,
And that has made all the difference.

There is a saying of the scholar Erasmus of Rotterdam (1466-1536), "Vacatus atque non vocatus, Deus advit", which we could translate into English as "Bidden or unbidden, God is present". Or perhaps "Whether you like it or not, God is here". He was no fool, was Erasmus. We don't have to make decisions alone. But if you haven't done so already why not try: "Okay God, if you really are there just let me know. I'm listening". And that really will make all the difference.

God bless you all – whichever road you take.

Blackawton WI

from **Frances Wood**

As this was the first meeting of the New Year, the committee thought we would break from the past and change some of our traditions. Stop singing Jerusalem, don't read minutes and do away with a top table. But when Christine put it to members, it was a definite thumbs down, members told us they liked singing Jerusalem, and liked having a top table, but they did agree to doing away with reading minutes. So little has changed, we are still a lively, very friendly group doing the activities we enjoy.

Last year the craft group made several fidget blankets for dementia patients, the home they were given to were delighted and have asked if we will make some more. We are now knitting "Twiddlemuffs" for Derriford hospital; these also support dementia patients.

This month's speaker was Harry Fenton, a life coach, whose talk "How to Stop the Ageing Process" was quite scary; we would have to give up alcohol, caffeine and sugar and go for long walks (at least we do that) and practice weight lifting.

The competition for an exercise gadget had some quite diverse entries: two tins of baked beans, a garden fork and a pair of walking boots. But Rowan Lethbridge's portrait of her dog with a dog lead attached was the one Harry choose as the winning entry.

Next month's speaker is Martin Edwards, a picture framer and restorer. The competition is a picture frame.

The George Inn

from **Ruth Coe**

...in the heart of Blackawton

Thank you to everyone that helped us celebrate New Year, it was a splendid evening.

Team TGI are all looking forward to seeing the end of January, that dark, cold, seemingly endless month of horrid weather, bills, dark mornings and flooding for some unfortunate folk. Blackawton has not been badly hit by flooding so far, and hopefully Spring really is just around the corner.

Our bar is open every day, 12-3 pm and 5-11 pm Monday – Saturday. Sunday lunchtime we have extended hours until 4 pm, closed Sunday evening. Until 13th February, start of half-term, our kitchen is staffed on Monday, Tuesday and Wednesday from 6:30 to 8:30pm. Lunch on Monday, Tuesday and Wednesday is restricted to soup or sandwiches, prepared by bar staff, as the kitchen is not staffed. Thursday through Saturday lunch is served from 12-2 pm and supper from 6-9 pm. Sunday lunch is served from 12 – 2 pm and will include our splendid roast if we have reservations. We are always happy to accept dining reservations, as this helps hugely with staffing plans.

Since we now have a talented chef specialising in eastern cuisine we will be celebrating Chinese New Year, out with the Goat and in with the Monkey, with a special afternoon menu on Sunday 7th February. We chose an extended lunchtime rather than evening to enable families to enjoy this celebration, especially as our "fortune cookies" and Chinese decorations are made by Playgroup (with a little help from some friends!). This event will be bookings only, 2 or 3 course menu at £15.95 or £17.95 respectively, children under 5 eat free, 5-12 year olds for £5.

St. Valentine's Day falls on a Sunday in 2016, so we will have a special Italian-themed menu on Saturday 13th February and Sunday 14th February, evenings only. The menus are below. Our "themed" nights will continue with a different cuisine show-cased each month; menus will be published in the Beacon.

We would like to briefly remind everyone that we operate a *Loyalty Club* for our customers. This offers rewards, invitations to Loyalty Club events, special offers, a £10 welcome voucher, plus £10 each time you reach a points target with vouchers to spend on your birthday, anniversary and other special occasions. The TGI team appreciates our customers very much, and our *Loyalty Club* is a way of thanking them for helping us to stay in business and provide this village with a social hub, a meeting place and a great community asset for a great community.

We are sad that The Normandy Arms has closed. Having a top class restaurant in the village was an advantage for us, and now we face the challenge of proving we can deliver good, quality meals for those discerning folk that will also miss The Normandy Arms. Always remembering that we are primarily a **pub**, family- and dog-friendly, our team will try their very best to deliver great service, excellent, well presented food and our usual wide choice of ales, ciders, lagers, wines, spirits and soft drinks – in short to be the best inclusive venue possible for this special community.

Contact us on **712342** or email **tgiblackawton@yahoo.co.uk** or visit **www.blackawton.com**.

Wormcharming

from **Peter Hathaway and the Wormcharming Team**

Wormcharming 2016 will be with us again on

Sunday 1st May

As the date is rather memorable, this year we are embracing the theme of Mayday / M'Aidee / SOS / Emergency services / Superheroes etc.

After the success of last year's Wild West theme – where a lot of effort was put into dressing up – this year we wanted a theme that provided even more “easy-to-do” fancy dress opportunities. We think the possibilities are endless!! Put your thinking caps/helmets on now in preparation!!

As always there is always plenty to do in the preparation of our unique village event, if there is anyone who fancies getting involved please speak to any of the Wormcharming team – easily accessible via the George Inn – or contact Steve Thomas, our intrepid Chairman on 712840. This has historically proved to be a really good fun day for all the family and friends **and** we raise money for Devon Air Ambulance Trust as well as other village charities so please think about lending a hand.

On behalf of everyone involved in Wormcharming both present and past we would like to convey our sincere and grateful thanks to Steve Gale, who has acted as Secretary, Treasurer, Music Organiser and MC on the day and generally kept us all in order for the past nine years. Due to health reasons, Steve will not be able to continue with these roles this year but no doubt we will be calling on his considerable experience in one form or another! In the meantime, “Thank you” Steve for all you have put into Wormcharming.

Mayday! Mayday!

Community Shop

from **Jo Rogers**

This month we are very pleased to say 'welcome back' to Sue Radford who has returned after a prolonged period of sickness. We are all pleased to see her and can't wait to get her back re-arranging all the stock and making the shop feel loved again! We would like to say a huge thank you to everyone who has helped cover the gaps whilst Sue has been away, but in particular Stacey Kendall who has done a sterling job of keeping the ordering in check.

On a sad note, we need to say 'goodbye' to Steve Gale, who has reluctantly resigned from his position as secretary of the management committee. Steve has done a wonderful job and been a very active part of the committee since the beginnings of the shop. Steve, your organisation and secretarial talents will be missed! This does mean we now have a vacancy on the committee, so if you think you might be able to help or fancy having a go at being the secretary please contact the Chairperson, Mike North on 712700.

In the shop we continue to establish new lines of groceries, so please do keep looking for new things, or letting us know if there is anything in particular you would like to see. And don't forget about our pre-ordering and home delivery service!

Due to volunteer shortages we are currently **closed on Wednesday afternoons**. If you think you can fill this gap please let us know; it would be much appreciated.

Can you spare just two hours per week?

Blackawton Community Shop is run entirely by volunteers and we are **desperate for new people** to join us on the till for just a couple of hours per week or even per fortnight. We are a very friendly team, and the till is very easy to use!

If you think you may be interested **we would love to hear from you**.

Please call Jo Rogers on 712522 or Rosie North on 712700 for more details.

Running track

We are hoping to build an all-weather running track around the second field so the children, staff and community can use it, improving fitness and learning power. To do this properly will cost thousands, which we don't have. As this will benefit the whole community, we are looking for bids so we can raise the money. We are teachers, not bidders. If anyone has the time/skills/inclination to research and complete bids for this community resource, please contact the school email.

Village Hall

from **Adrian Kyte**

Village Hall Furniture

If there are no bookings that need the VH furniture it can sometimes be borrowed in return for an agreed donation and deposit but **only by prior arrangement**. A member of the committee should be present both when the furniture is taken and returned. Donation and deposit must be paid before any furniture is removed from the hall. A list of who is on the VH committee, along with contact details, is posted on the notice board next to the main entrance door.

Thank you to the person who anonymously returned the small plastic table to the hall.

Booking the Village Hall

The easiest way to check availability and make a **provisional** booking of the Village Hall is to use the internet. We now have a Facebook page; I'm not very familiar with Facebook yet so it may take a while for things to appear correctly. There are two easy ways to check availability or make a provisional booking:

1. Enter <http://www.hallmaster.co.uk/ViewRoomDiary.aspx?roomId=81> in the address bar of your Internet browser and press 'Enter'.
2. Via Facebook (www.facebook.com); search for "Blackawton Village Hall" then click on 'Book Now'.

Either method should take you directly to the booking website. Use the 'Next >>' and '<<Previous' buttons to get to the month required then if the hall is not already booked click the '+' sign on the day you want then add the details for your event to create a provisional booking. You will receive an email within a couple of days with an invoice and a booking form, provisional bookings only become confirmed bookings after the deposit is paid which should be within 2 weeks of the invoice date. The above are the preferred methods for booking the hall but if you don't have internet access please phone 712159.

As it turned out it was not a private party and went on almost all night. To prevent a recurrence, in future New Year's Eve parties will only be accepted from people who live in Blackawton.

Parish Council

from **Annette Thom**, Acting Parish Clerk

Notes of Parish Council Extraordinary Meeting 17th December 2015

Cllrs Rake (Acting Chairman), Coe, Joyce and Wills were present. Apologies were received from Cllrs Mallyon, Lewis-Davis and Perry.

The appointment of Annette Thom as locum Clerk for a period of 3 months (i.e. until shortly after the March meeting) was approved. It was agreed handover could commence in co-ordination with the Clerk and that the first meeting the locum Clerk would attend was 5 January 2016. Payment at SCP25 for the same hours as the Clerk and employment under the standard NALC contract were approved.

Notes of the Parish Council Meeting on Tuesday 6th January 2016

Notes only; for detail please contact the Parish Clerk.

Cllrs Rake (Acting Chairman), Joyce, Coe, Perry, Lewis-Davis and Wills were present with apologies received from Cllr Mallyon. Cllrs Hawkins (DCC) and Hicks (SHDC) and Annette Thom (Acting Clerk) were also present.

Reports from District and County Councillors

Cllr Hawkins discussed the opportunity to request road markings in the area Traffic Order being prepared by DCC. Maps of possible double yellow lines outside The George and at the bottom of Park Lane will be circulated for discussion at the February meeting.

Cllr Hicks noted SHDC had its worst year of his nine years experience last year, and is now on the verge of moving forward, with a new planning IT system implemented and more full-time staff.

Planning

2639/15/HHO 'Springfields', Eastdown: additional windows. It was agreed to support the application.

2622/15/FUL Substation at SX804510, School Lane, Blackawton, TQ9 7AZ: extension to existing substation to accommodate on-site voltage regulators and bypass switches. After a discussion of the purpose and the plans it was agreed to support the application.

Theft of Paving Stones from School Lane Churchyard Steps

Regrettably thirteen slate slabs were stolen from the steps in December 2015. The replacement slabs will be paid for from the Parish Council's reserves. Three quotes will be obtained for the repairs for the February meeting.

Finance

The bank balances currently stood at £39,787.76. Allowing for payments to be made and earmarked reserves of £29,408.26, a balance of £8,984.30 remained.

Payments were approved for ground maintenance £85.00, stationery £75.85, computer security £20.95, Village Hall hire £105.00, salary £846.60 and PAYE £211.80.

It was resolved to direct the Chairman and Acting Clerk to require, from the District Council, a precept of £13,156 reflecting a "steady state" precept as previously agreed by the Parish Council. Council Tax support will, as notified by South Hams District Council, be received in addition, with the total payment from SHDC remaining at £13,750.

Devon Air Ambulance

Devon Air Ambulance is seeking to expand its hours of operation to include night-time flying. This will enhance the service offered, particularly in the winter months. It wants to identify landing sites which would be equipped with lights that can be activated remotely to guide the helicopter. It was agreed to follow this up. Cllr Coe will assist.

Superfast broadband

Cllr Rake noted that Blackawton now has superfast broadband.

Drainage

Cllr Lewis-Davis noted blocked drain issues outside Figtree Cottage and at southern and southwestern steps to the churchyard. Town and Parish grant funding will be sought to help maintain these drains in the face of a reduced service from DCC.

The Parish Council's next meeting is at 7.30 pm on **Tuesday 2nd February**. You are most welcome to attend and to raise any issues which may be of concern to you.
